GUANGDONG MODERN HIGH-TECH FIBER CO., LTD.

企业简介 Enterprise brief introduction

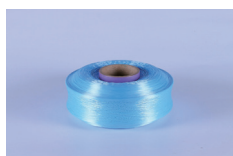

本公司成立于2013年,专业从事聚丙烯纤维的研发、生产和销售,经营长达20多年。主要产品为丙纶长丝。公司以差别化、功能性丙纶长丝为研发方向,在常规丙纶FDY、DTY的基础上,开发了高强低收缩丝、超细旦丝、异形截面丝,以及抗紫外、抗老化、抗菌、阻燃、远红外、夜光等功能化、差别化丙纶长丝。公司产品应用于箱包织带、工业织物、服装等领域。公司产品国内主要销售区域为长三角、珠三角及福建等地区,主要客户为箱包、工业滤布和服装制造企业。

Guangdong Modern High-tech Fiber Co., Ltd. was founded in 2013, specializing in the development, production and sales of polypropylene fiber, operating for more than 20 years. The main products are polypropylene filament yarn. The company takes differentiated and functional polypropylene filament as the research and development direction. On the basis of conventional polypropylene FDY and DTY, the company has developed high-strength and low-shrinkage filament, ultra-fine denier filament, special-section filament, as well as functional and differentiated polypropylene filament, such as anti-ultraviolet, anti-aging, anti-bacteria, flame retardant, far-infrared, luminous and so on.
